In the city tonight you're starting a fight for your best friend
 Everyones's hero
 In everymans bar
 Whilst daily working for yesterday
 And waiting for blood to be lost
 Mad
 Pain
 It's no loss to sugar your starting a fight For your best friend
 As he drops
 The key on the side of the road
 Which leads you away from your tomorrow in the city tonight
 Always everyman's friend
 Pain is no loss if you sugar it right
 For your best friend
 From
 Your tomorrow, tonight
 Always
 As she drops, I lost sight of her
 She took my smile.
 Vain, so vain
 Lost so lost
 Lost
 Lost Sweetly sugar it right
 Sweetly sugar it right.
 It's no loss to sugar your starting a fight for your best friend tonight
 As he drops
 In the city tonight
 Always everyman's friend
 Pain is no loss if you sugar it right as she drops
 Sugar it right as she drops

I asked you to do that thing for me
Like oceans
Un cirque du femme
Vous voulez en fais
Toute en fais

Like oceans

Une belle fleur du jardin
Quietly waiting to say
Like it blossoms and blooms

Such is your power
Oh! Beauty
Such
Quietly waiting to say
You are the ocean to me
Say Oh! Beauty

Un cirque du femme
Vous voulez en fais
Toute en fais

Toute en fais
Such is your power
Oh beauty such
